

Public Notice

COVID-19

Mescalero Conservation Department

In efforts to reduce the spread of COVID-19 Coronavirus, the Mescalero Conservation Department will be implementing additional public health measures. This will include the practice of social distancing. Avoiding close contact with others in groups larger than 10 is a vital way to protect our employees, customers and community.

The Mescalero Conservation Department's lobby will be closed to the public until further notice. Please feel free to contact our office by telephone at (575)464-9323.

For those who need to come in for SORNA in person registration please call ahead of time to set up an appointment.

We are taking all precautionary measures to keep a safe and healthy environment for our employees and community. Besides social distancing we have been cleaning and disinfecting the office frequently and have hand sanitizer readily available. Keeping in mind the FIVE easy to follow measures:

1. Washing hands often
2. Cough into elbow
3. Don't touch your face
4. Keep distance
5. If you feel sick →STAY HOME

The Mescalero Conservation Department will keep you informed with future updates. Thank you for your patience.
